NEW AUTO FOR THE ARMY

Will Carry Horsehoe's, Saddler's and Other Outfits.

Equipped with horsehoe's, saddler's, carpenter's and blacksmith's outfits, an auto car for use in the United States army will leave New York city for Washington in a few days. where, after inspection by the department officials, it will be sent to Fort Leavenworth, Kan., for a test in actual service, says the New York Press. The auto is a large box on wheels, with many doors. The car, stripped of its equipment, weighs 3,500 pounds, and the equipment as sent on by Uncle Sam for the test weighs 4,000 pounds.

The auto car is twelve and a half feet long and the frame is of five inch channel steel. The rear wheels are fifty-six inches in diameter and the forward wheels forty-eight inches. The engine is of the four cylinder type and of twenty-four horse power. The gasoline tank contains a supply sufficient to propel the machine 300 miles. The engine is of the kind known as four speed, and is calculated to drive the machine at any speed up to ten miles an hour. Lubricating tubes, which feed automatically, carry oil to every part of the machine needing it. An auxiliary engine on one side of the machine operates a dynamo, lathe and a grindstone for sharpening tools.

CHURCH AND CLERGY.

The number of ordinations in the Presbyterian church fell from 290 in 1898 to 184 this year; while the total membership increased from 975,577 to 1,007,477.

Rev. Samuel Murray of Irvington, Ind., is the oldest minister in the Dunkard church, both in years and term of service. He has just passed his ninety-seventh birthday and has preached fifty-five years, retiring from the pulpit two years ago.

Pope Pius X. is a moderate smoker. Italian priests, even of the humble ranks, do not consider that it comports with clerical decorum to smoke in public; and Cardinal Sarto has always observed this rule, but in private he enjoys a good cigar.

A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Barre Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidney's fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it.

Many Barre people know this. Read what one has to say about it: Mrs. Wm. L. Huntington (W. L. Huntington, granite cutter, address High Holborn, says: "A friend insisted upon my using Doan's Kidney Pills. From the amount of faith he evinced in the remedy I was induced to go to E. A. Drown's drug store for a box. I badly required just such a remedy as Doan's Kidney Pills proved to be, for I had been annoyed with kidney complaint for an indefinite period. The pain across my back and hips was very severe. If I stooped or straightened after stooping and when the sharp twinges were not in evidence, there was a continual dull aching. Added to the backache was a trouble with the kidney secretions, a sure indication that the action of the kidneys in some way must upset. I knew after the completion of the first box, from the direct action of my kidneys, that I had at last got hold of the remedy badly wanted, or I never would have bought a second nor a third box. To say I am pleased at the results I obtained from the use of Doan's Kidney Pills mildly expresses what I think."

For sale by all dealers. Price 50 cents. Foster-McBum Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
